Regular Programs

Family counseling

Free consultation is provided for 6-10 sessions. Consultation is also available at night and on weekends!

Couple, Parent-child, Family counseling	Counseling for couples, parents-children, family counseling couples, parents-children, and family problems. You can get advice on relevant issues on how to cope with family issues and adaptability, and emotional relationships with your family.
Before and after divorce counseling	Psychological stability, emotional problems, economic problems, child rearing and consensus of couples who are considering divorce or appealing for adjustment after divorce and helps rational decision-making and supports relationship adjustment through counseling.

Strengthening family capabilities & Case management

In-charge : Yu, Seong shin,
Goo, Seoyeon, Noh, Sujeong
(Ext. 202, 203, 205)

It helps families with difficulties in the home (low-income, single-parent, single mother and father, North Korean refugees, multicultural families), emergency crisis families facing family violence, divorce, crisis, etc. Families with difficulties, please feel free to contact us!

Child care support project

In-charge : Park, Hyejeong (Ext. 801)

We provide care services for child caregivers to children aged 3 months to 12 years of age in families with parenting gaps due to reasons such as working couples, thereby reducing the burden of parenting

Bilingual Environment Creation Program

In-charge : Choo, Heeyeon (Ext. 401, 402)

By creating an environment where multicultural children can naturally communicate in bilingual languages from infancy. We provide support to establish a healthy identity for children and grow up into global talents.

Marriage immigrant's Translation and Interpretation

In-charge : Cha, Sohyeon (Ext. 507)

Marriage immigrants face various communication problems in Korean society. To this end, we provide various interpretation and translation services for family and social life. Interpretations such as family communication and emergency assistance in crisis situations are possible, so please feel free to contact us.

Language development support project

In-charge : Jeong , Sujin, Jeong, Daeun (Ext. 505, 506)

Evaluate the level of language development of children of multicultural families and provide customized language education to children who have difficulty communicating to allow a good language development. We also provide counseling and give education on teaching methods for multicultural parents to help promote children's language development in their everyday life.
